

Wicked Trip Reminder

- Wednesday morning you should come to school at normal time. When the 7:30 bell rings, go to the cafeteria, not homeroom. Look on the tables for your group and sit at the table. Your chaperone will meet you there and check in with you.
- You may bring a small bag with you for the day and can leave it on the bus if needed during the lunch and show. Feel free to bring something to do on the bus that is quiet and entertaining. A portable charger for your phone or your charger is suggested due to the long day.
- We will not be stopping on the way there in the morning so eat breakfast before you come to school. We will stop for dinner after the show so bring money to eat at a mall food court.
- When we get close to Hartford, you can call to tell your ride when to get you. Mrs. Martineau and Mrs. St. Sauveur-Dandurand will be updating the PTO Facebook as well as the chorus and band facebook's with details as they are available.
- Remember to dress nicely and follow school dress code. It is going to be hot so plan accordingly.
- Most of all, listen to your chaperone and have fun!!!

Mrs. Martineau
